<b>SmartEXPO! Ultra Desktop with USB Flash Drive</b>	\$319.00	\$349.00		
The SmartSource Ultra Desktop includes scanner, display, qualifiers, hard copy paper printout and USB Flash Drive that saves leads automatically. Electricity REQUIRED at your booth to utilize this system. System is pre-programmed to read and capture attendee's contact information from their name badge. After scanning the bar-coded badge, the attendee lead immediately outputs to built-in display and printer. You can "Line Feed" the paper roll if you need to write notes about the lead. At close of show simply take the Hard Copy and USB Flash Drive of saved leads. Information easily imported into Excel or back-end database.				
<b>SmartRoll</b> Extra Roll of Paper (approximately 300 leads per roll)	\$9.00	\$19.00		
<b>SmartSwift Blackberry Sales Lead System</b>	\$349.00	\$395.00		
The SmartSource SmartSwift Swiftium Hand Held Sales Lead System combines the latest scanning and Blackberry technology, giving you the ability to easily scan, view and qualify attendee information, write notes and edit information electronically, making SmartSwift the most advanced sales lead system in the industry! Additionally, the information is uploaded and stored in real-time! We simply provide you with a web-link, username and password to access/download you leads into Excel whenever you want! You can also have the system customized with qualifiers. You're NOT required to have electricity. System is completely battery operated and designed to last the entire event. You also have the option of renting a bluetooth printer that will automatically print the attendee information when their badge is scanned.
